

2024 REQUEST FOR SITE REVISION

Name: _____ Lot #: _____ Date: _____

Seasonal Site revisions are required for any wooden structures, garden sheds, fences, anything that will penetrate the ground, or restructure the site. Site Revision requests will be reviewed by management every **Tuesday**; therefore, any requests must be submitted by **Monday at 5:00 pm**. You will be notified of your request status by end of day Wednesday. All revisions need to be received by the campground office either in person, or a photo of form sent to campground@oakislandmb.ca. If construction is started prior to approval, the request will be automatically denied and the addition must be removed. In order for us to approve a request we need the following information.

1. Exterior Dimensions in Feet
2. New or Used
3. Attached Photo of Requested Addition/Construction showing all angles.

If requested revision is in used condition, it must keep up the aesthetic standards in the campground, and be in excellent used condition.
