

GENERAL INFORMATION – SEASONALS: 6TH & 7TH STREETS

Each Seasonal Site on 6th and 7th street has a 750 gallon tank that is the lease holders responsibility. We have a few septic companies in the area: PLEASE call them directly to arrange pumping, and payment. Please refrain from arranging pumping on the weekends, and during standard meal times. Be mindful of your neighbours' comfort, and the increased traffic in the campground.

1. Virден Water & Portables ph: 204-748-2000
2. Crossfire ph: 204-851-0994

NOTE: When calling either company:

- Call ahead before it's an EMERGENCY – Companies have to arrange to pump a few tanks at a time.
- ALL SEPTIC, INCLUDING YOUR GREY WATER, MUST BE DUMPED INTO THE TANKS.

THANK YOU!

MANAGEMENT – OAK ISLAND RESORT
